ACT N.

Data : 18/02/2020

Object: POSIDON, Polluted Site Decontamination – PCP – Phase II - project Number 776838.

CIG: 7750344A30.

Deed of amendment of the Technical Evaluation Committee

The President

Considering the law of 28 January 1994 n. 84, as amended by Legislative Decree 04 August 2016, n. 169;

Considering the decree of the Minister of Infrastructures and Transports n. 361 dated 8 November 2016, which appoints Zeno D'Agostino President of the Network Port Authority of the Eastern Adriatic Sea;

Considering that the Network Port Authority of the Eastern Adriatic Sea is Lead Procurer of the project POSIDON as defined in the Grant Agreement n. 776838;

Considering the President Act n. 737/2018 of the 28th of December 2018, with which the start of the procedures for the awarding of the project referred to in the object was approved;

Having regard of Act no. 1621/A of the 14th of February 2020, with which the President of this Authority proceeded with the designation of the Technical Evaluation Committee;

Considering the need to replace Jon Ander Landajo Iparraguirre, as member of the Technical Evaluation Committee, due to unexpected work commitments;
